The sea is swells like a sore head
and the night it is aching
Two lovers lie with no sheets on their bed
and the day it is breaking

On rainy days we go swimming out
on rainy days, swimming in the sound
On rainy days we go swimming out

You're in my mind all of the time
I know that's not enough
if the sky can crack
there must be some way back
for love and only love

Car alarm and back to sleep
you kept awake dreaming some else's dream
coffee is cold, but it will get you through
compromise, there's nothing new to you
let's see colours that have never been seen
let's go to places no one else has been

You're in my mind all of the time
I know that's not enough
if the sky can crack
there must be some way back
to love and only love

Electrical Storm
Electrical Storm
Electrical Storm
Baby don't cry

It's hot as hell, honey in this room
sure hope the weather will break soon
the air is heavy, heavy as a truck
hope the rain will wash away our bad luck

heeeey... heeeey.....

If the sky can crack, there must be some way back
for love and only love

Electrical Storm
Electrical Storm
Electrical Storm

Baby don't cry
Baby don't cry
Baby don't cry
Baby don't cry
