Baby, I wish I could hold you  
Promise I'll never let go of you  
Baby, you got me gone  
Baby, I wish I could hold you  
Promise I'll never let go of you  
Baby, you got me gone

I don't know why I'm still so sad and blue  
And I don't know why I just can't get over you, ooh  
'Cause you didn't go far, you didn't do me harm  
You make sure I get all that I want  
So I don't know why I'm so sad and blue  
When you give me all of you

You got me on bed rest, I'm hurtin' for love  
You got me on bed rest, it's like I'm givin' life up  
Pillows and thoughts, not takin' no calls  
And never get up, baby

You got me on bed rest, I'm hurtin' for love  
I didn't get the respect that I deserve  
It'll take time before I can find the will to get up  
The will to get up

I want the dark  
Could somebody cut the lights off? Cut the lights on  
Tryna get a rise on gone like the sun till the morning  
And I can't lie when the day goes by  
I'm missin' you, I'm so horny

Baby, I wish I could hold you  
Promise I'll never let go of ya  
Baby, you got me gone, gone, gone, gone  
Oh baby, eh, eh, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh, eh, eh

I don't know why my eyes don't open till noon  
And even when they do, they seem to close back at two  
I don't wanna get up, I don't wanna get up, no

You got me gone, I'm so on  
Every time you give me exactly what I want

So I don't know why I'm so sad and blue  
When you always give me all of you

You got me on bed rest, I'm hurtin' for love  
You got me on bed rest, it's like I'm givin' life up  
Pillows and thoughts, not takin' no calls  
And never get up, baby

You got me on bed rest, I'm hurtin' for love  
I didn't get the respect that I deserve  
It will take time before I can find the will to get up  
The will to get up

I want the dark  
Could somebody cut the lights off? Cut the lights on  
Tryna get a rise on gone like the sun till the morning  
And I can't lie when the day goes by  
I'm missin' you, I'm so horny

Baby, I wish I could hold you  
Promise I'll never let go of ya  
Baby, you got me gone, gone, gone, gone  
Oh baby, eh, eh, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh, eh, eh

Oh baby, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh  
Oh baby, eh, eh, eh, eh  
Oh baby
