Turn the corner
hit the breaks
Did it double take I thought I saw your face.
But it cant be you
You said your out of town
Pick up the phone on his speed dial
Went straight to your voice mail.
Now I'm looking closer
To know what I see
Because my man wouldn't be caught dead with nobody
else but me.
But what gave it all away
was your smile
the same one that hit me up now I'm breaking down.

(2 times)
Cause I can't believe its you
In her arms.
Can't believe its you in her arms
In her arms.
Can't believe my eyes (Can't believe my eyes)
tell me that i'm just seeing through.
Was i blind (was i blind)
Was i blind (was I blind)
baby i just didn't want to see it all alone.
Can't believe my eyes
Can't believe my eyes
Can't believe that I was blind, Oh.

I popped the car then
then grabbed my keys
Slammed my door and then walked across the street.
but my body froze
when you kissed her lips
trying not to believe it, standing there looking stupid.
so I took a deep breath
tried to move my feet
now Im looking at the girl cause i know my man looking
right dead back at me.
then you looked up
saw my face
ran out to me, tried to explain, but i ain't hear a thing

you said
cause I.

Cause I can't believe its you
in her arms.
Can't believe it you
in her arms.
Cant believe my eyes (cant believe my eyes)
tell me that I'm just seeing through
Was i blind (was i blind)
Was i blind (was i blind)
Baby i just didn't want to see it all alone.

Don't talk to me, don't touch me, cause you made it so
clear.
You'd rather have your fun, and throw away our years.
No, no I've been blind for way to long.
You've made it so easy to move on.
So bye.
You've passed your time.
See I'll be fine.
Cause I'm not blind no more, no.

(2 times)

Cause I can't believe its you
in her arms.
Cant believe its you
in her arms.
Can't believe my eyes (cant believe my eyes)
tell me that I'm just through
Was I blind (was I blind)
Was I blind (was I blind)
Maybe I just didn't want to see it all alone.

Every time I think about the way you've treated me,
I don't really understand why it happened to me.
Was it because I'm blind
Was it because I'm blind
Baby i just didn't want to see it all alone.

Cause I cant believe its you
In her arms.
cant believe its you
In her arms.
Can't believe my eyes (cant believe my eyes)
Tell me that I'm just seeing through
Was i blind (was I blind)
Was i Blind (was I blind)
Maybe i just didn't want to see it all alone.

2* Ohhh, Ohhh, Ohhh, Ohhhhhh,
