Hello, can I speak to, uh..
..Sarah, Nicky, Naomi
Yeah, you know who you are, look
You had no idea what ya dealing with
A low selfish but realest shit
So you wanna know, well here's the script
Yeah that's my bitch, that's my bitch
Shawty right there, that's my bitch

Chorus:
I've been waiting for a long, long time
Just to get off and throw my hands up high
And live my life and live my life
Just to get off and throw my hands up high

One two I've been this bitch
Girl on, girl on and girl and shit
..international chicks
Brought defense gun? Bitch!
That's my bitch
Shawty right there, that's my bitch
That's my bitch

Chorus:
I've been waiting for a long, long time
Just to get off and throw my hands up high
And live my life and live my life
Just to get off and throw my hands up high

Don't leave him, no
Who you're playing with?
Your girlfriend is steady stalking me
Just fall back, don't even trip
Look, Shawty right there? That's my bitch!
That's my bitch
Shawty right there, that's my bitch
That's my bitch
Yow kids stop rolling now
Up all night that is shit!
Playing with yourself,
You're porning that?

Shawty right, it's my bitch!

Chorus: (x2)

I've been waiting for a long, long time
Just to get off and throw my hands up high
And live my life and live my life
Just to get off and throw my hands up high

You had no idea what ya dealing with
Something on some of this realest shit
Pop champagne, I'll give you a sip
'Bout to go dumb: how come?
Yeah that's my bitch, that's my bitch
I've waited so long
Shorty right there? That's my bitch
Just to get off and throw my hands up high
That's my bitch
And live my life and live my life
That's my bitch
