This could be big
You know what it is

Yeah, you really put it on a girl
I love the way you kiss on the pearl
I love it how we did it everywhere
I love it when you sweat out my hair

And boy you're like a Michael you can really beat it, woo
And yes I appreciate the lovely evening

Wonder if you fellas know the truth
Y'all don't fuck us, nigga we fuck you, eh
You eh, you eh, you eh, you eh, you eh, you eh
We fuck you eh, you eh, you eh, you eh
You eh, you eh, you eh, you eh

I heard you like to put it on the street
And how I'm an undercover freak
You was like flash in the sheets
So fast I had to finish when you leave

Like a kid with a cake you can really eat it, uh
Like a stray dog happy every time I feed him

I wonder if you know the truth
Y'all don't fuck us, nigga, we fuck you, eh
You eh, you eh, you eh, you eh, you eh, you eh
We fuck you eh, you eh, you eh, you eh
You eh, you eh, you eh, you eh

Now I hope my momma don't hear this song
'Cause she raised a choosy lover, I pick my bones
And it's always my decision to get it on

Yeah, I get it on, I get it on, two step
I get it on, I get it on, two step
I get it on, I get it on, two step
I said I get that on, I get that on
I said I get that on, I get that on

It's all about me, eh, eh, eh, eh, eh, eh, in da club

We fuck you eh, you eh, you eh, all my girls
We fuck you eh, you eh, you eh, put 'em up
We fuck you eh, you eh, you eh, this song's about you

We fuck you, you, you
(Come over here baby, let me talk to you for a second)
We fuck you, you, you
(Put up on a couple of things)

We fuck you, you, you
(You know that thing you do with your tongue?)
We fuck you, you, you
(It's amazing, stupendous, marvelous, exciting, damn)

We fuck you, you, you
(But you gotta get your mind together)
We fuck you, you, you
(And them jeans is a little too tight)

We fuck you, you, you
(What? I fucks with it?)
We fuck you, you, you
(It's cool, it's cool)
We fuck you, you, you
(I get it, some fashion)

We fuck you, you, you
We fuck you, you, you
We fuck you, you, you
We fuck you, you, you
We fuck you, you, you
