I bought a spray last night 'n I sprayed all over my
house
I bought a spray last night 'n I sprayed all over my
house
Mosquitoes all around my door won't let nobody come
out

Mosquitoes all around me, mosquitoes everywhere I go
Mosquitoes all around me, mosquitoes everywhere I go
No matter where I go, they sticks their bills in me

I would say gallinipper1, these gallinippers bites too
hard
I would say gallinipper, these gallinippers bites too
hard
I stepped back in my kitchen and they springing up in
my back yard
