Fear...

Fear...

Fear inside, keeps me waiting,
Bleeding tears, I can't hide...
Standing here, disappearing,
Tearing me, deep inside...
Can't forget, can't let go,
Answer me, need to know,
Running scared, losing sight,
Falling down

Fear inside, keeps me waiting,
Bleeding tears, I can't hide...
Standing here, disappearing,
Tearing me, deep inside

Fear inside, never fading,
Going around, stuck inside...
Standing here, I'm still waiting...
Letting go, can't decide

Can't decide...

Can't forget, can't let go,
Answer me, need to know,
Running scared, losing sight,
Falling down

Fear inside, keeps me waiting,
Bleeding tears, I can't hide...
Standing here, disappearing,
Tearing me, deep inside

Fear inside, never fading,
Going around, stuck inside...
Standing here, I'm still waiting,
Letting go, can't decide
