You got your jet set boy an automatic pilot
Yeah, I can teach you something if you would just try it
Oops, I didn't do it, but did you like it?
Well you're playing games puppy, don't try to deny it

Call you on the phone but it was disconnected
Switchboard operator got the lowest common
dominator
Couldn't help but feel a little bit rejected
Switchboard operator got the lowest common
dominator

?Til I went to your house and I figured it out
That your lights were on but nobody's home!
Da da da da da dada
Da da da da da dada
(Nobody ahh!)
Da da da da da dada
Da da da da da dada

Hey, I'll teach you a lesson in stupidity
Yeah, I'll make you a star, I'll put you in the movie
You're an inflatable doll, but your head is stuck in the
wall
Oh, you're good for a laugh but, but that's about all

Call you on the phone but it was disconnected
Switchboard operator got the lowest common
dominator

Couldn't help but feel a little bit rejected
Switchboard operator got the lowest common
dominator

?Till I went to your house and I figured it out
That your lights were on but nobody's home!
Da da da da da dada
Da da da da da dada
