An organic saw cutting you  
Separating your flesh and bones  
Sucking your blood like a leech  
Take it as pest, kind of it

Vile Violator!  
Hungry for your flesh!

Cruelty, draconic threat  
It brings to you more than death  
Tenacious invader  
A merciless creature

Vile Violator!  
Hungry for your flesh!  
Vile Violator!  
Painful sudden dash!

Dissected, you will be...  
Dragging towards to the gate...  
Gate to the endless hell!  
Lead:Emre  
Lead:Eray

Vile Violator!  
Hungry for your flesh!  
Vile Violator!  
Painful sudden dash!  
Painful sudden death!  
Painful sudden dash!  
Painful sudden death!
