I've been walking in the rain  
Just to get wet on purpose  
I've been forcing myself  
Not to forget just to feel worse  
I've been getting away with it all my life  
(Getting away)

However I look, it's clear to see  
That I love you more than you love me  
However I look, it's clear to see  
I love you more than you love me

I hate that mirror, it makes me feel so worthless  
I'm an original sinner but when I'm with you  
I couldn't care less  
I've been getting away with it all my life  
(Getting away with it)  
All my life  
(Getting away)

However I look, it's clear to see  
That I love you more than you love me  
However I look, it's clear to see  
I love you more than you love me  
I love you more than you love me  
(More than you love me)

I thought I gave up falling in love  
A long, long time ago  
I guess I like it but I can't tell you  
You shouldn't really know  
And it's been true all my life  
Yes, it's been true all my life

I've been talking to myself  
Just to suggest that I'm selfish  
(Getting ahead)  
I've been trying to impress  
That more is less and I'm repressed  
(I should do what he said)

However I look, it's clear to see

That I love you more than you love me  
However I look, it's clear to see  
I love you more than you love me  
I love you more than you love me  
I love you more than you love me

Getting away with it  
Getting away with it
