Not a trace of emotion remains inside  
Two hearts broken lay down by the riverside  
Single handed they tried to escape from me  
With a turn of the wheel it was drivin' me

Drivin' me crazy, oh baby  
You're driving me crazy, oh baby  
You're driving me crazy, oh baby  
You're driving me crazy, oh baby

This love was born instead of hate  
Celebrate our love  
(Celebrate)  
Let me feel the right vibration  
Celebrate our love  
(Celebrate)

And until the end of time  
Celebrate what's mine  
Make it good and let it shine  
Celebrate our love

Revelation, a fate that just can't decide  
They lay down in the flow of the rising tide  
There's a side of your life that you never see  
It is real, this I feel and it's drivin' me

Drivin' me crazy, oh baby  
You're driving me crazy, oh baby  
You're driving me crazy, oh baby  
You're driving me crazy, oh baby

Gotta find, gotta find, some peace within our time  
(Until the end of time, until the end of time)  
(Celebrate)  
Gotta find, gotta find, some peace within our time  
(Until the end of time, until the end of time)  
(Celebrate)

This love was born instead of hate, celebrate our love  
(Gotta find, gotta find, some peace within our time)  
(Until the end of time, until the end of time)

(Celebrate)  
Let me feel the right vibration, celebrate our love  
(Gotta find, gotta find, some peace within our time)  
(Until the end of time, until the end of time)

And until the end of time  
Celebrate what's mine  
Make it good and let it shine  
(Gotta find, gotta find, some peace within our time)  
Celebrate our love

This love was born instead of hate  
Celebrate our love  
(Celebrate)  
Let me feel the right vibration  
Celebrate our love

And until the end of time  
Celebrate what's mine  
Make it good and let it shine  
Celebrate our love
