Lose my head to the chemical freeway
Comin' up on overload
In a mystic new dimension
Purify and sanctify me
What, so I'm in no end game
Move my piece right off the board
Losing sure is easy so I am no more

But I'm not broken, in my dream I win
In here I'm nothing, a Cosmic Castaway

In my head I'm a chemical dreamer
Speed up to burn out mode
Comin' up in the 5th dimension
Beautify don't crucify me, yeah
So I need no mind game poisoning my lonely soul
Losing sure is easy so I am no more

But I'm not broken, in my dream I win
And I take over, coz I'm no loser
And I'm in and you're not, bad dreams don't stop
But I'm all screwed up, a Cosmic Castaway
a Cosmic Castaway, a Cosmic Castaway

And I want but have not
Bad dreams, lust thoughts
In here with no pain, you hurt me again
And I want but have none
I should beat the alien
But here I'm no one, a Cosmic Castaway
a Cosmic Castaway, a Cosmic Castaway
a Cosmic Castaway
