Ooooh ooooh

Ooooh ooooh

If you like my lipstick; kiss it
Blink and you will miss it
Cause I'm fit to loving it
Risk it for a biscuit
You're smooth boy
A dude boy
Guess how I like it rude boy
The music it
It does it
Think I'm gonna lose it
Think I'm gonna lose it
Think I'm gonna lose it

Cause baby you are the greatest
Yeah yeah
The moves you've got are the latest
Yeah yeah
I'll be your schoolgirl dream
I'll shake my peaches and cream
I'll make you scream like you aint done it in ages
Ooooh ooooh

Lets go in the corner and coochy coochy
Have a little fumble and smoochy smoochy
Have another shot and get naughty naughty
But we better watch out we don't get caughty caughty

I don't like the vibe in the vip
Ooooh ooooh
I don't like the vibe in the vip
Ooooh ooooh
I don't like the vibe in the vip
Ooooh ooooh
