Shake it shake it baby
Make me smile
If you wanna maybe
Stay a while
I'm your secret rebel
You're my toy
Dance a little devil
Loverboy

(I love what you do)
Oooooh

Give give give give give me your love
(Give me your love)
Give give give give give me your love

(Give me your love)

First time perfect moment
Fire and ice
Something good ?
Sacrifice

Chorus 3x

Hey boy don't be so shy
Read my lips
Full moon fever's in my fingertips
I'm your pin-up
You're my candyman
Sugarcoat me baby when you can
