I want the girl all dressed in white
She turns and says hello

She changes colors like a bird
I grab her wings and fly away
She takes me high and leaves me there
I never want that down, down

Love, love, it's a beautiful place
It's a beautiful taste
Where I am now, where I am now
And I belong and I belong

The gentle high is all to blame
I cried for seven days

I feel myself losing control
To all the voices in my soul
There is the girl in white again
I need the sugar from her hand, hand

Love, love, it's a beautiful place
It's a beautiful taste
Where I am now, where I am now
And I belong and I belong

And it's such a wonderful way
We're making love right now
And it's such a wonderful way

And it's such a wonderful way
You feel me up inside, you feel me up inside
You feel me up inside

Love, love, it's a beautiful place
It's a beautiful taste
Where I am now, where I am now
And I belong and I belong

And I belong
And I belong
And I belong
