She was wearing her favorite dress
She was waving a blue handkerchief
She was laughing aloud in the corner of the room
But she was dancing alone

[Chorus]

So I walked up to her, grabbed her arms to show the
world
Tonight we'll dance like we're in love

She was standing beneath the chandelier
I offered her chocolate and some beer
She said no, I said why, she said no, I said why

And stayed dancing alone

[Chorus]

So I walked up to her, grabbed her arms to show the
world
Tonight we'll dance like we're in love

I look down on her
She looks up at me
All I want is all her love
All I want is all her love

[Chorus]

Tonight we'll dance
Tonight we'll dance
Tonight we'll dance
All night long like we were in love
