"No Rain"

All I can say is that the Velvet Underground is great
And I'm sitting watching Puddles gather rain
And All I can do is just pour some tea for two
And maybe even speak my point of view
But it's not sane, no
It's not sane

I just want some one to say to me ,baby, oh,ho,ho,ho
I'll always be there when you wake
Know I like to keep my cheeks dry today
So, stay with me and I'll have it made(i'll have it
made,oh)

And I don't understand why I sleep all day
And oh you know I start to complain that there's no rain
And all I can do is read a book to stay awake
And everyday it rips a little of my life away
But it's a great escape (and everyday we need it)
Escape...Escape...Escape...yeah

All I can say you know that my life, it's pretty plain
And I like your point of view
It's not sane...it's not sane

Whoa,ha, you know we're gonna..ha
