And i was sittin here, thinkin' how you console me, Oh yeah well i was pissed and now you know it, O-oh-oh how i like to see you run to me, Woah and then they took you a long long way away from me, Woah and now im blind, oh but you know i can see you veah, A bit better than i could before, before G.O.D. decided to go, I said G.O.D. where d'you go, where d'you go, oh where'd you go And i said G.O.D. where did you go oh where d'you go oh where d'you go, And that's why i can't fight dark fools for you no more, No more. No more.
