Hello, won't you, won't you, won't you go home
Pretty lady I can take this space
Your emptiness was long replaced
Hello, i guess you, guess you, guess you should know
That I'm happier without you now

Your selfishness don't motivate

You surround yourself with what's hot now
Are you happy now
Are you happy now
Chorus x2

Caught in the middle of something
I'm in the middle of something
Caught in the middle of something
Taken back relax
You brought it on now move along get along
Taken back, relax
Its not that bad to be alone so alone. Faking.
