(First Verse)

They say that absence makes the heart grow fonder
But I doubt it, I really doubt it
Playing ping pong over oceans, messing with emotions
Messing with my head
Messing with my head

(Second Verse)

13 hours ago, I'm no longer at home
Fast times in Tahoe
Three thousand miles away
What can I say
Fast times fast times to fast for me

(Pre chorus thingy)

And I don't care what you say
To get me out of the way
I got to get my message through to you
Baby, baby, baby, baby, baby, baby, baby, baby
(First Verse again but higher and with feeling)

They say that absence makes the heart grow fonder
But I doubt it, I really doubt it
Playing ping pong over oceans, messing with emotions
Messing with my head
(Pre chorus thingy also higher)

And I don't care what you say
To get me out of the way
I got to get my message through to you
Baby, baby, baby, baby, baby, baby, baby, baby

(Anthemic Chorus)

Fast times in Tahoe
Playing in the Snow
Who oh oh oh

Fast times in Tahoe
Playing in the Snow
Who oh oh oh

(Screaming Guitar Solo)

(First Verse again but with the occasional word
dropped)

They say, makes the, grow, but I, I really, playing, over
Messing with
Messing with

(Chorus 4 times)

Fast times in Tahoe

Playing in the Snow
Who oh oh oh
