No thank you's necessary
Dont need you to compliment me
Your roles a cameo
Yeah tell us what you think you
Know now

I just got through, no thanks to you
Now I'm here for the people who
Paid to see me
I see you crying, I can tell
Somebodies lying

Troubled am i
This likeable guy
So humbled am I... I... I... I... I... I... I... I...
Is this why we've been waiting
I thought my head was straight and
Is this what w'eve been waiting for

No drink is complimentary
No fast track to backstage entry
Sly talking gigolo
Yeah tell us who you think you
Know now

I never meant this song for you
I'll give you one and one only
This is a free bee
Your words are dying
Wrapped around the food I'm buying

Troubled am I
This likeable guy
So humbled am I... I... I... I... I... I... I... I...
Is this why we've been waiting
I thought my head was straight and
Is this what weve been waiting
Late night anticipating
Is this what we've been waiting for

One more time for the people of Mississippi
I said I'm sorry

And I meant it do you miss me
So honk twice if you need if you want it
And raise your hands
If you're up for gin and tonic

One more time for the people of Mississippi
I said I'm sorry
And I meant it do you miss me
Some vendetta, got your letter
Give me one more drink and I'll forget it
