Well i don't know what to do in this situation
when life is messin with you, won't settle down
If it was left up to me, i'd make it better
nothin under the tree, a cold December

Well i dont know what to do with this information
got a lot to get through, just leave it now
what i got is cliché, but its so silly
take it day by day, this lonley feeling

it keeps it all to yourself
shuttin everyone out
Go to open my mouth, but nothing helpful comes out
When everythings going south

its going to take a long time to figure this out
im sad for you, sad for you
when you are ready, if you need me, know that ill be
around
im sad for you, sad for you

What to do with all these photographs?
Brought to tears, when will it bring the laughs?
You need space with what you are feeling
With this day today, its a lonley feeling

keeps you all to yourself.
shuttin' everyone out.
Go to open my mouth, but nothing helpful comes out
When everythings going south

its going to take a long time to figure this out
im sad for you, sad for you
when you are ready, if you need me, know that ill be
around
im sad for you, sad for you

Its gonna take a long time to figure this out
im sad for you, sad for you
when you are ready, if you need me, know that ill be
around

im sad for you, sad for you
