I don't feel the sun's comin' out today
It's staying in, it's gonna find another way, yeah, hey
As I sit here in this misery
I don't think I'll ever no long' seen the sun from here

And, oh, as I fade away
They'll all look at me and say and they'll say
"Hey, look at him", I'll never live that way
And that's okay, they're just afraid to change

Ah, when you feel life ain't worth living
You've got to stand up and take a look around
You look up way to the sky

Hey and when your deepest thoughts are broken
Keep on dreaming boy, 'cause when you stop dreamin'
it's time to die

And as we all play parts of tomorrow, oh, no, no
Some ways we'll work, in other ways we'll play, yeah,
yeah
But I know we can't all stay here forever, oh
So I want to write my words on the face of today
And then they'll paint it up

And, oh, as I fade away, yeah
They'll all look at me and say, they'll say
"Hey, look at him and where he is these days"
When life is hard, you have to change
When life is hard, you have to change
