Now as I walk down the highway  
All I do is sing this song  
And a train that's passin' my way  
Helps the rhythm move along

There is no doubt  
About the words, that's clear  
The voice is strong  
Is oh so strong

Just a simple guy  
And I live from day to day  
A ray of sunshine melts my frown  
And blows my blues away

There's nothing more that I can say  
But on a day like today  
I pass the time away  
And walk a quiet mile with you

And all I need from you is all your love  
All you got to give to me is all your love  
And all I need from you is all your love  
All you got to give to me is all your love

I'm so glad I'm living  
I'm gonna tell the world that I am  
And I got me a fine woman  
And she says that I'm her man

The one thing that I know for sure  
I'm gonna give her all the loving  
Like nobody, nobody  
Nobody, nobody can

Standing in the noonday sun  
I'm trying to flag a ride  
People go and people come  
I see the rider right by my side

It's a total disgrace  
They set the pace

It must be the race  
And the best thing I can do is run

And all I need from you is all your love  
All you got to give to me is all your love  
And all I need from you is all your love  
And all you got to give to me is all your love

[Incomprehensible]
