And i was sittin here, thinkin' how you console me,
Oh yeah well i was pissed and now you know it,
O-oh-oh how i like to see you run to me,
Woah and then they took you a long long way away
from me,
Woah and now im blind, oh but you know i can see you
yeah,
A bit better than i could before, before G.O.D. decided
to go,
I said G.O.D. where d'you go, where d'you go, oh
where'd you go
And i said G.O.D. where did you go oh where d'you go
oh where d'you go,
And that's why i can't fight dark fools for you no more,
No more.
No more.
