You are such an imitation of me
I want you to know that I will always
kick you in your face if you ever try to disgrace me
because
I know that you wanna be just like me but I'm screaming

Falling down on you
And still you never knew
This hell I put you through
Should be nothing new
Falling down on you
And still you never knew
This hell I put you through
Should be nothing new

Don't you know
Who I am
I am the man that you will never be
Don't you know
Who I am
I am the man that you will never be

I'm in control
You will always be my slave
Shut up, Shut up
You will obey me
Shut up, Shut up
I'm in control of you
Shut up, Shut up
You will obey me
Shut up, Shut up
I'm in control of you

Don't you ever think that I will let you off your knees
again because
I know that you wanna be just like me but I'm screaming

Falling down on you
And still you never knew

This hell I put you through
Should be nothing new

Falling down on you
And still you never knew
This hell I put you through
Should be nothing new

Don't you know
Who I am
I am the man that you will never be
Don't you know
Who I am
I am the man that you will never be

I'm in control
You will always be my slave
Shut up, Shut up
You will obey me
Shut up, Shut up
I'm in control of you

Tie the noose around your neck
I'll pump this lead into your head
Tie the noose around your neck
Pump the lead in your head

Don't you know
Who I am
I am the man that you will never be
Don't you know
Who I am
