Well I'm so sick
I'm sicker than you
Closing walls
What can I do
Well I'm so sick
I'm sicker than you
Closing walls
What can I do

And I feel them
in my mind
And I feel them
All the time

Maybe they'll feed on enemies
Save me from your rabies
and someday you'll have to face me
and there'll be no protection against me

Well I'm tasting you
you're tasting me
I'm taking pleasure in the enemy

And I feel them
in my mind

And I feel them
All the time

Maybe they'll feed on enemies
save me from your rabies
and someday you'll have to face me
and there'll be no protection against me

And I feel them
in my mind
and i feel them
all the time
all the time
I feel them

there'll be no protection against me

Maybe they'll feed on enemies
Save me from your rabies
and someday you'll have to face me
there'll be no protection against me
