Calling, every minute, every hour  
I can't take anymore of this lying  
And denying accusations  
All I want is the truth when you hold me  
And you told me, you don't own me  
But you won't let me breathe  
You control me, you erode me  
To this life  
But I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore

I can't continue to let you treat me in this way  
I must dry my tears and its wrong cause I can't let you stay  
You put up a fight hoping that I might change my mind  
You beg and you plead, you'll never succeed, not this time

Calling, every minute, every hour  
I can't take anymore of this lying  
And denying accusations  
All I want is the truth when you hold me  
And you told me, you don't own me  
But you won't let me breathe  
You control me, you erode me  
To this life  
But I don't want you here anymore  
I don't want you here anymore

Calling, every minute, every hour  
I can't take anymore of this lying  
And denying accusations  
All I want is the truth when you hold me  
And you told me, you don't own me  
But you won't let me breathe

You control me, you erode me  
To this life  
But I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore  
I don't want you here anymore  
  
Calling, every minute, every hour  
I can't take anymore of this lying
