Don't talk, don't start
Baby please
Don't you do this to me
Unlock my heart
Set it free from this captivity

Love me not, make it stop
Break the spell please
Don't keep me hanging on
Cause this is all so wrong

Let me let go
Let me lose you
Don't refuse to
Let me let go
Say you'll leave me
Make it easier
And since two wrongs
Don't make a right
Let me let go tonight

I can't eat, can't sleep
Take a look at the state
That I'm in
We fell too deep
For a game in which
Nobody wins

Your hands are tied
I'm teary eyed
We're lost for words
Hurts to think
What could've been
And that it all must end

Let me let go

Let me lose you
Don't refuse you
Let me let go
Say you'll leave me
Make it easier
And since two wrongs
Don't make a right
Let me let go tonight

Your hands are tied
I'm teary eyedâ€¦
