You're my lover, undercover  
You're my secret passion and I have no other  
You're delicious so capricious  
If I find out you don't want me, I'll be vicious

Say you love me and you'll have me  
In your arms forever and I won't forget it  
Say you miss me, come and kiss me  
Take me up to heaven and you won't regret it

You are the one, you're my number one  
The only treasure I'll ever have  
You are the one, you're my number one  
Anything for you 'cause you're the one I love

You're my lover, undercover  
You're my secret passion and I have no other  
You're a fire and desire  
When I kiss your lips, you know, you take me higher

You're addiction, my conviction  
You're my passion, my relief, my crucifixion  
Never leave me and believe me  
You will be the sun into my raining season

Never leave me and believe me  
In my empty life you'll be the only reason
