Je suis revenu de la carri re d'ombre
Pour toi.
D'entre les morts tu m'as choisi.
Je suis revenu des for ts de serpents enlac es de
t n bres,
Ses serre m'arrachant le fant me d'un cri.

Je suis revenu des for ts de serpent, enlac  de
t n bres,
Je suis revenu de la carri re d'ombre.

J'ai touch  aux confins de la mort.

[English translation:]

I have returned from the quarry of darkness
For you. Among the dead you have chosen me.
I have returned from the forests of snakes entwined
with darkness,
It's claws tearing from me the fantasy of a scream.
I have returned from the forests of snakes, entwined
with darkness.
I have returned from the quarry of shadows.
I have touched the boundaries of death.
