Little foot, little foot
Where you wanna go?
Is your boyfriend in the sticks?
Are you on your way home?

Little foot, little foot
How you gonna feel?
Is it really real?
Is it really real?

Love's no good, you know it's true
I say it all the time
Sometimes he's in love with you
But maybe he'll be mine

Just kidding
I wouldn't do it to you
No way, no way

Little foot, little foot
Where you going out?
Oh, you're always going out
Yeah, you're always going out

Little foot, little foot
How you gonna feel?
When you drink another beer
Yeah, you drink a lot of beer

Love's no good and nothing's free
It's sad, I know, but true
Sometimes he's in love with me
But maybe he wants you

Just kidding
You wouldn't do it to me
No way, no way, no way

Little foot, little foot
Where you wanna go?
Oh, your boyfriend
Florida

Little foot, little foot
How you gonna feel?
Is it really real?
Is it really real?

Are you really real?
Am I really real?
Are we really real?
Is it really real?
