"Caught In A Wheel"

Deep within the mirror
You're trying to hide the snore
Hate night after blows
You try but lost energy

Today is decided...
We are not alone

When caught in a wheel
You'll play a part
Improvise say:
"I... am caught in a wheel"

Today our plan
Is to taste real good
A constitution will be written

It's as we see it
Did someone repeat
What I just said
It's like we're grasping it
Re-initiate the repeat

[music: Salo]
