Echoes from the depths of mind
A solemn roar at trance end
Alive but unconscious
Growing in strength

Gravity changes the math
In a different sonic universe
Fractals of the azimuth
Pump the spasm to force the power
Into a single burst

I stopped the unyielding tick of seconds
Endurance fell and confusion shrugged
Vultures from the immortal abyss

I live on in the new spectrum
Eternal resident of phinisteral abode

"Old boy, what have you learned?"
Life is ecstasy, life is god
And the gods still walk the earth
Toward the ninth aempire of...
