We love dem gyal dem believe me

Some boy took gagna ting for joke
Show me yu cost, salute the one you like, national
hunter

Straight, like di pole dema di say di lime lime
Straight, every one fi a cup so one time
Straight, like Patrick mon de man strike
Straight, nobody an no victory et a dam mine

We straight like I rough with you
Real badman, I play nothing but tool
That away we nah gonn do
Guns 'on di mountain view
We top on no one dem
No one them think they can wan yu nah'
From you gyal it's nothing I can pin pin you

Put on a too and in di air, 'dem loud and clear
Guan on here, on man me said '
Now we nah gonn switch, we nah gonn turn no switch
up
Strip gyal'she put ah waga, waga

Put on a too and in di air, 'dem loud and clear
Guan on here, on man me said '
Now we nah gonn switch, we nah gonn turn no switch
up
Strip gyal'she put ah waga, waga.
