I'm on a freedom special  
Racin' on through the night  
Bustin' through the jailhouse walls  
Watch my people fight  
You can't see me runnin'  
'Cause I ain't got no light  
I got some information  
Everything's gonna be all right

Liberation special  
Movin' on through the night  
Liberation special  
Turnin' darkness into light

Ad-man steals our culture  
And sells it on back to me  
But I ain't paying no money  
To buy back what is free  
Tear gas makes my eyes run  
But it don't make me cry  
Only thing that hurts me  
Is to see my brothers die

Liberation special  
Movin' on through the night  
Liberation special  
Turnin' darkness into light

Time to make your mind up  
I said it's time to take a stand  
Time to come together  
You know the power's in your hand  
You can jump aboard  
We got room for you  
You can jump aboard  
I said that we got room for you, you, you, you

Liberation special  
Movin' on through the night  
Liberation special  
Turnin' darkness into light
