[Verse 1:]

I asked the dawn to rise early this morning
There's a devil in my dreams
She's like an angel in all of her glory
But it's never quite what it seems
She met me when I closed my eyes
Tempting me with a force of nature
Why would she do this to me
Doesn't she know I'm in love?

[Chorus:]

She's got a hold on me
It's like I'm staring at the sun
And I can barely see
Where I was coming from
Ooh
I'm blue and I'm black
I got this wall to my back
And I can't shake it off

[Verse 2:]

So now we're sinking
Like stones on the water
I guess I got in too deep
I let her sit on my throne:
Queen deceiver and me

[Chorus x2]

She's got a hold on me
It's like I'm staring at the sun
And I can barely see
Where I was coming from
Ooh
I'm blue and I'm black
I got this wall to my back
And I can't shake it off

Ooh... Yeah...

Ooh... Yeah...

I Can't it off... yeah

I Can't shake her off.

No, no, no, no, no

I asked the dawn to rise early this morning
There's a devil in my dreams
