Verse 1:

God who answers prayer
Sees me in my need
Runs to my despair
Your promise I believe

Pre-Chorus:

That You Are, You Are, You Are God

Chorus:

Bless the Lord with all that's within o my soul
I cry out with all that I am make me whole
Here I stand I place all my hope in you
My Healer will see me through

Verse 2:

God who answers prayer
Faithful you will be
In my darkest hour
Your promise I believe

Bridge:

My Savior, my God on High
The One who has brought me life
I surrender all that I am
Into your hands, I'm in your hands
