Verse:

Give thanks to the Lord for he is good  
Come and see what he has done  
Can you feel this move of God  
Breaking on our shores  
Who is like our God  
Whose kindness never ends  
Who is like our King  
Whose fame and glory reign

Chorus 1:

There is victory in our hearts today  
Everyone has seen the Lord has done great things  
God is on the move, kingdom come to earth  
Everyone has seen the Lord has done great things

Verse:

Our hearts rejoice for we have won

Nothing can withstand  
The mighty power of the cross  
The One who conquered death  
Who is like our God  
Whose kindness never ends  
Who is like our King  
Whose fame and glory reign

Chorus

Bridge:

Come and see what he has done
