When I was blind
You gave me sight
You gave me eyes to see the colors of Your sky
When I was deaf
Without a sound
You gave me ears to hear the sounds of Your love
Your love is kind
Your love's the only thing that's perfect in this life

Chorus:
You sent Your son to die
For the broken and the tired
And You healed my life
With my hands raised high
And my heart a burning fire
I'll give my life
To dwell in Your love

When I was weak
With tired feet
You gave me strength to run the race you'd given me
When I was numb
My heart grown cold
You gave me nerves to feel the warmth of Your love
Your love is kind
Your love's the only thing that's perfect in this life

Chorus

Bridge:
Healer, we confess
We were lost in brokenness
Til You came and conquered death
For love

Chorus:
You sent Your son to die
For the broken and the tired
And You healed our lives
With our hands raised high
And our hearts a burning fire
We'll give our lives

To dwell in Your love
