This is the time
This is the hour
When I make my stand
There's no turning back
For Your kingdom is all that I want

Illuminate my heart
Pierce the dark
Until all is laid bare
Every hidden part
For Jesus You're all that I want

All that hinders I cast aside

Undivided

Here's my heart

It is Yours, It is Yours

Undivided

Take my life

I am Yours, I am Yours

With open hands I come

Everything is yours

I'm ready to let go

Take all of me
