Verse:

my highest joy
love of my heart
you are
all that's good
flows from your mercy
to us

Pre-Chorus:

here's my heart
make it yours
i will sing

Chorus:

if i lose it all
you're enough
if i gain the world
you're enough
my joy is complete
Jesus you are enough for me
Jesus you are enough for me

Verse 2:

empty we came
you gave your grace
to us
when riches fade
still you remain
our God

Bridge:

you can take my life
and all i have
i will sing your worth
with all i am
(the hope i've found)

Outro:

you're all i need
you're everything
Jesus you are enough for me
