verse:

My soul has come alive now
the grave has lost its grip on me
I'm free by the cross
I'm free

My shame is gone forever
the chains have lost their hold on me
I'm free by the cross
I'm free

pre-chorus:

The blood of Jesus has now redeemed us

chorus:

We lift our voices
We shout out louder
Jesus your cross has saved us
Our God has risen
Your power in us
Jesus your cross has saved us

verse 2:

Love awakened my heart
my eyes are open now I see
I'm free by the cross
I'm free

pre-chorus

chorus

bridge:

All glory
All praise belongs to you
who gave it all for me
