Sometimes I know it goes too far,
When we're fighting each other apart
Why do we go on hurting like this?
And I know it's hard to say I'm sorry
when I'm not sorry

Sometimes I know we go too far,
When we're ripping each other apart
Why do we hurt each other?
And I know that this is some stupid game,
That I love to play

And I know that this won't be the end,
And I know that you will be my friend
And I know that this won't be the end,
And I know, and I know, and I know

Sometimes I know it goes too far,

When we're using words to rip you apart
Why do we go on hurting like this?
And I know that this is some stupid game,
That I love to play

And I know that this won't be the end,
And I know that you will be my friend
And I know that this won't be the end,
And I know, and I know that

You're my friend,
And I will be with you for evermore
And I'll stand by your side for evermore, for evermore

Evermore, evermore
I'll be with you, yeah.
Evermore, evermore
I'll be with you evermore
