A broken picture frame
Laying at my feet
This once was
A good memory
Now you are gone
And I want you back
Shattered dreams are
All I've ever had and

You proved me wrong again,
And I stand corrected
You proved me wrong again,
And I stand rejected

I never wanted you
To see this side of me
All my hurts,
All my insecurities
I never wanted you
To see this side of me
All my hurts,
All my insecurities

You proved me wrong again,
And I stand corrected
You proved me wrong again,

And I stand rejected

You proved me wrong again,
And I stand rejected
You proved me wrong again,
And I stand corrected

I never wanted you to see this ugly side of me
And I never wanted you to see this side of me
All my hurts,
All my insecurities
I never wanted you to see this ugly side of me
And I never wanted you to see this side of me
All my hurts,
All my insecurities

I stand alone,
And I stand alone
I never wanted you to see this ugly side of me
And I stand alone,
I stand alone...
