And I want to forget all IÃfÃ...Ã Ã,Ã³e seen,
And all the pain thatÃfÃ...Ã Ã,Ã´ been placed before
me
And IÃfÃ...Ã Ã,Ã¶I try to think of better days,
but IÃfÃ...Ã Ã,Ã¶I still scarred from your mistakes
And all I want is some sunshine on my life,
And all I want is someone to be my superhero,
And fly me away

And I can still remember that angry look in your eyes,
That smirk on your face clenched fist hit home
And I wish I could forget that angry look in your eyes,
That smirk on your face

Can somebody hear this?

And all I want is someone to be my superhero,
Someone to take my hand and fly me away
And all I want is someone to erase my memory
Someone to embrace me,
Am I asking too much?
IÃfÃ...Ã Ã,Ã³e never felt security
I guess I have no luck
Is there anyone?

Could you be the one? Yeah.

And I want to forget all IÃfÃ...Ã Ã,Ã³e seen,
And all the pain thatÃfÃ...Ã Ã,Ã´ been placed before
me
And IÃfÃ...Ã Ã,Ã¶I try to think of better days,
but IÃfÃ...Ã Ã,Ã¶I still scarred from your mistakes

And I can still remember that angry look in your eyes,
That smirk on your face, clenched fist hit home
And I wish I could forget that angry look in your eyes,
That smirk on your face

And I wish I could forget that angry look in your eyes,
That smirk on your face
I wish I could forget that angry look in your eyes,
And I wish I could forget that angry look in your eyes
