(And now, for my next number, I'd like to return to the classics)

This time when I feel myself open up

Even though I don't want to

And one side of me says kill her

But that just won't do

So I say we're through

So I say we're...

Stop and stare what the fuck you don't know me

Stop and stare what the fuck you don't owe me

(I DON'T KNOW WHY)

Stop and stare what the fuck you don't know me

Stop and stare what the fuck you don't owe me

(I DON'T KNOW WHY)

I think it's time to pack your things let's go

To a place where we both know

And don't worry, I'll drive real slow

Spend some time before we go

Spend some time before we go

So I say we're...

Stop and stare what the fuck you don't know me

Stop and stare what the fuck you don't owe me

(I DON'T KNOW WHY)

Stop and stare what the fuck you don't know me

Stop and stare what the fuck you don't owe me

(I DON'T KNOW WHY)

Get up in your face with a sickness a quickness

Dialect I inject, will we be up tongue kissing all night

To make you feel right

So I say we're through

It doesn't sink in to you, oh please don't make me hate you

But that just won't do, so I say we're through

Stop and stare what the fuck you don't know me

Stop and stare what the fuck you don't owe me

(I DON'T KNOW WHY)

Stop and stare what the fuck you don't know me

Stop and stare what the fuck you don't owe me

(I DON'T KNOW WHY)
