"Never"

One, two, three stop break
Count to three and if I don't see You
You're fake
I heard You care
Now don't dare
Show Yourself I'll believe
Show Yourself I'll still proceed
Show Yourself I'll believe
No I won't

I don't want to see You
My eyes see what's true
I don't want to feel You

But still I do

You say You are mine
I just want to leave this behind
I think You're nothing but an act
A good one
Don't You try
Whatever You do I'll deny
Why is it so convincing?

I don't lie why can't I just drop this
Get this out of my head
