...frost in the grass glitters...

dance in it barefoot for awhile
until it hurts and i'll know it stings
before turning numb
i guess you win and you lose some

we're at war
realize this is a heart attack
one nation under attack (yeah)
heart is frozen but its ready to crack (yeah)

fristbite biting slow
turning blood and veins cold
ice with claws climbing
upwards my veins
but i will be searching
for a heart that won't get old

we're at war
realize this is a heart attack
one nation under attack (yeah)
heart is frozen but its ready to crack (yeah)

we're at war
realize this is a heart attack
one nation under attack (yeah)
heart is frozen but its ready to crack (yeah)

we're at war
realize this is a heart attack
one nation under attack (yeah)
heart is frozen but its ready to crack (yeah)

YEAH...HUH...COME ON...

we're at war
realize this is a heart attack
one nation under attack (yeah)
heart is frozen but its ready to crack (yeah)
