"This Shoulder"

Come with me, ride upon my shoulders why don't you
Don't you see? You can't fall down when you're on my
shoulder
You wonder if you must climb to get away from the
slime
Seeking it's way in to your heart
But I know, yes I know

That you'll see this through
Come ride upon my shoulders I'll carry you, I'll carry
you
You must fight alone
I've known you before you did
So don't you play no charade

Breathe my air, come ride upon my shoulders, why
don't you
Don't feel scared, you can't fall down when you're on
my shoulder
You wonder if you must climb to get away from the
slime
But I alone will lift you up
And holding there my heart, 'cause I know

That you'll see this through
Come ride upon my shoulders I'll carry you, I'll carry
you
You must fight alone
I've known you before you did
So don't you play no charade

It is time
To leave you behind
I can take every drop of your spit
But it's when you do you see you don't fit

See me
See me
See me
See me
See me
See me

You'll see this through
Come ride upon my shoulders I'll carry you, I'll carry
you
You must fight alone
I've known you before you did
So don't you play no charade

It is time
To leave you behind
I can take every drop of your spit
But it's when you do you see you don't fit

It is time
It is time
It is time
It is time
